## Workshop

# NANO23@uniVR

Verona, 8-9 June 2023

The workshop, organized by the **PhD Course in Nanosciences and Advanced Technologies**, aims to create a forum on hot topics of current interest in Nanoscience and Nanotechnology such as Nanomedicine, Biotechnology, Energy-nanotech, Environmental nanoscience, Green nanotechnology, Nanoengineering

### Venue

Room E, Ca' Vignal 1, strada Le Grazie 15, Verona

### No registration fee is required

but registration is mandatory (up to 100 participants)

### Abstracts will be published in the European Journal of Histochemistry

Abstract submission deadline: 30 April 2023

[Registration and Abstract submission form](#)

## Preliminary program

### 8 June

13.00-13.45 Registration

13.45-14.00 Introduction

14.00- 17.30 **Nano@Biomedicine** (invited talk + oral communications)

17.30-19.00 Poster session

Welcome cocktail

### 9 June

09.00-12.30 **Nano@Environment** (invited talk + oral communications)

12.30-14.00 Lunch

14.30-17.30 **Nano@Energy** (invited talk + oral communications)

### Scientific Committee

Federica Bortolotti

Mariapina D'Onofrio

Manuela Malatesta

Alessandro Romeo

Adolfo Speghini

Franco Tagliaro
