

PERSONAL INFORMATION

Family name, First name: Dalle Carbonare Luca Giuseppe
Researcher unique identifier ORCID: 0000-0003-3263-6671
Date of birth: April 27, 1965
Nationality: Italian

EDUCATION

1992 Graduate in Medicine and Surgery, University of Padova, Italy
1992-1998 Residency and Fellowship in Internal Medicine, University of Padova, Italy
2001 PhD "Pathophysiology of bone metabolism" Dpt. of Medicine, University of Parma, Italy

• CURRENT POSITION(S)

2005- Associate Medical Director in the Internal Medicine ward, Azienda Ospedaliera
Universitaria Integrata of Verona (AOUI), Italy
2014- Associate Professor in Internal Medicine, Dpt. of Medicine, University of Verona, Italy
2014- Head of "The Service of Histomorphometric evaluation in the diagnosis and treatment of
skeletal and degenerative diseases" –AOUI Verona, Italy
2015- Director of the "Regional Specialized Center for the biomolecular and histomorphometric
research in the skeletal and degenerative diseases, AOUI Verona, Italy
2017- National scientific qualification as Full Professor in Internal Medicine (MED/09).

• PREVIOUS POSITIONS

2001 – 2002 Physician in the Department of Medical and Surgical Sciences, University of Padova
2004 – 2014 Assistant Professor in Internal Medicine, Dpt. of Biomedical and Surgical Sciences,
University of Verona, Italy
2012 – 2014 Position of Advanced Specialization in the "Histomorphometric evaluation in the diagnosis
and treatment of skeletal and degenerative diseases", AOUI Verona. Italy

• FELLOWSHIPS AND AWARDS

1999-2000 Fellowship in Bone Histomorphometry in the "Unité de Physiopathologie des Osteopathies
Fragilisantes", directed by Prof. Delmas, Lyon, France
1999-2000 Clinical attendance at the "Service de Rhumatologie et des maladies fragilisantes" of the
Edouard Herriot Hospital of Lyon, directed by Prof. Meunier, Lyon, France
2003-2004 Post-PhD grant for the project entitled "Osteopenia induced by immunosuppressive therapies
in rats". Dpt. of Biomedical and Surgical Medicine, University of Padova, Italy
1999 "Young Investigator Award" at the "VIII Congress of International Society of Bone
Morphometry", Scottsdale -Arizona
1999 "Merck Sharp & Dohme Prize" at the "XI National Congress of Italian Society of
Osteoporosis and Metabolic Bone Diseases", Italy
2000 "Carozzo Prize for a young investigator" for the best scientific Project of the year 2000
2002-2009 Prizes for the best presentations at the "2°, 3°, 7° and 9° National Congress of Italian
Society of Osteoporosis, Mineral Metabolism and Bone Diseases", Italy
2006 "1° Prize of National Research Stroder-SIOMMMS", best scientific project of 2006, Italy

• SUPERVISION OF GRADUATE STUDENTS AND POSTDOCTORAL FELLOWS

2004- 50 More than 50 PhD and Master Students School of Medicine, Dpt. of Medicine, University
of Verona, Italy

• TEACHING ACTIVITIES

2004- "Critical nursing care" in the Bachelor's degree in Nursing, (Vicenza and Legnago facilities)
2004- "Clinical Methodology" of Combined Bachelor's + Master's degree in Medicine and Surgery
2017- "Chronic clinical nursing care" of Bachelor's degree in Nursing, (Legnago facility)
2017- "Clinical nursing care in medical area"-Bachelor's degree in Nursing
2004- Practical-assessment internship in preparation for the state certification exam –Combined
Bachelor's + Master's degree in Medicine and Surgery,

- 2004-2016- Internal Medicine for students of School of Medicine, University of Verona, Italy
 Medical clinic, gerontology and medical treatment of Master's degree in Medicine and Surgery
- 2018- "Controllo biomedico dell'allenamento (sport della montagna)-Master's degree in Sport Science and Physical Performance
- 2018- Advanced methods of assessment, prevention and assistance to the family and to the communities - Master's degree in Nursing and Obstetrics, (Bolzano facility)
- 2018 "Pathophysiology applied at Nursing"-Bachelor's degree in Nursing (Legnago facility)
- 2004-2016 "Elective course on "Metabolic Bone Diseases"-School of Medicine,
- 1999- Tutor in several refresher educational courses in Medicine (ECM), on metabolic and fragilizing bone diseases and cardiovascular diseases. University of Padova and Verona, Italy
- 1994- Tutor in the methodological course for the students of Faculty of Medicine and Surgery
- 2004- Tutor in the course post-lauream qualifying to practice,
- 2014-2017 Director of "the advanced course on orthopaedic techniques"
- 2014- Director of "the advanced course on posturometric techniques"
- 2017-2018 Director of the Master course (II level) "Ultrasonography point-of-care in the integrated management of acute patient"
- 2020- Director of Postgraduate Specialization Course in Sport and Exercise
- 2020- President of the degree course in Orthopedic Techniques

ORGANISATION OF SCIENTIFIC MEETINGS

- 2015 National Meeting: "Nutrire la crescita, le tre età della vita". University of Verona, Italy
- 2017 International Meeting on scoliosis brace, University of Verona, Italy
- 1999 Educational courses in Medicine (ECM), on metabolic and fragilizing bone diseases and cardiovascular diseases. University of Padova and Verona, Italy
- 2017- Summer School of Medicine, (three editions, University of Verona, Italy)

• INSTITUTIONAL RESPONSIBILITIES

- 2017 – Joint Committee (professors/students), School of Medicine,
- 2016- Referent for the education and updating for the hospital staff, organizing Internal Seminars,
- 2018- Member of Disciplinary Committee
- 2017- Faculty Board of PhD Course on Biomolecular Medicine, Life and Health Sciences,
- 2012 Scientific Coordinator of working group on "Osteoporosis as a main cause of disability in older adults", European Union Geriatric Medicine Society (EUGMS).
- 2017- National Scientific Committee of SIOMMMS for the evaluation of scientific projects, Italy
- 2016 National Committee for National Guidelines for the management of metabolic bone diseases in haemoglobinopathies, Italian Society of Thalassemia and Hemoglobinopathies (SITE)
- 2019 Expert of Nat. Agency for the Evaluation of Universities and Res. Institutes (ANVUR)

• REVIEWING ACTIVITIES (if applicable)

- 2016– Editorial Consultant of Aging Clinical and Experimental Research
- 2015 Associate editor of Journal of Alzheimer's disease
- 2012 Reviewer for: "Clinical Endocrinology", "Acta Veterinaria Scandinava", "Journal of Endocrinological Investigation", "The Angle Orthodontist", "The Scientific World", "Arthritis Care & Research", "Clinical and Experimental Metastases", "General Hospital Psychiatry", "Annals of Internal Medicine", "Naturwissenschaften", Journal of Zhejiang University Science B (JZUS-B), "BMC Medicine", "Clinical Chemistry and Laboratory Medicine", "The Prostate, Annals of Medicine", Nutrients.
- 2011- Reviewer for the Ministry of Education, Universities and Research (MIUR), Italy

• MEMBERSHIPS OF SCIENTIFIC SOCIETIES

- 1994- Italian Society for Osteoporosis, Mineral Metabolism and. Bone Diseases (SIOMMMS)
- 1996- Gruppo Italiano per lo Studio dei Bisfosfonati (GIBIS)

2004-2006 European Calcified Tissue Society (ECTS)
2004 Founding Member of the “Società Italiana di Osteoncologia” (ISO)
2005-2006 Società Italiana di Biomedicina e Biotecnologia Spaziale (ISSBB)
2006-2008 The Endocrine Society
2014-2018 Scientific Committee of “Int. Council of Orthopaedics Rehabilitation Activities” (ICORA)
2012- Board of “Mediterranean Society for Osteoporosis and other Skeletal Diseases (MSOSD)”
2018- Board of “Gruppo Edema Osseo Diagnosi e Interventi Terapeutici” (GEODEIT)
2019 Società Italiana di Medicina Interna (SIMI)

• **MAJOR COLLABORATIONS**

2018- Faculté de Médecine Lyon Est, Hôpital E Herriot, Lyon, France
2018- INSERM, Unité 1033, Metabolic Bone Diseases, Lyon, Italy
2018- Dpt. of Nanomedicine Houston Methodist, Research Institute, Houston, USA
